HOMECOMING '76

HOMECOMING

HOMECOMING: Little Misses Debbie Brown and Dan Forey, sophomore attendants; Little Miss and King Lewis, seniors; Robin Miller, junior crown; King Snavely, King; Jennifer Hansen, Queen; Allen Eaton, crown attendant; Jeff Carroll and Lee Snavely, coronators; Paul Coleman and Steve Coffey, junior attendants; Jeff Jensen and Sandi Krieger, freshmen attendants.

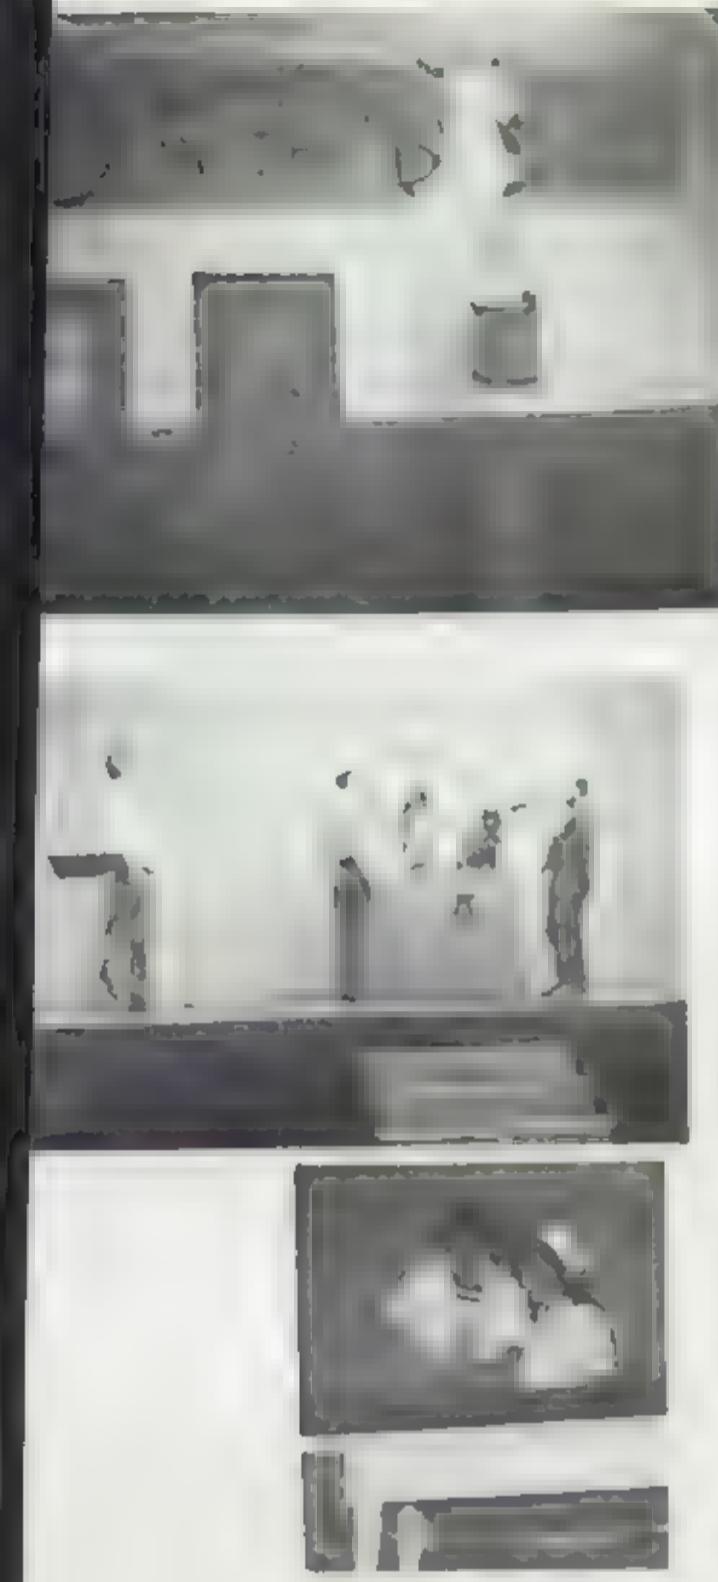

HOMECOMING: Ruthven, October 15, 1976--Preparation for Ruthven's Homecoming activities started several weeks ago. Many activities and celebrations were planned. Each class had a hallway and their homeroom to decorate. The prize for the best decorations was given to the Juniors. On Wednesday, October 13, the Senior girls prepared a pep supper of maidrites, potato chips, soft drinks and dessert. The supper was followed by pep skits and the coronation. MC's for the occasion were Tanya Steffen, Jeff Carroll and Al Bredehoeft.

Skits were prepared and performed by grades 6-12, the cheerleaders, band, library club and faculty. The faculty skit won the prize of two pies in the coaches' faces.

Guest alumni speaker, Fred Bredehoeft, provided a pep talk.

The evening ended with the crowning of Jennifer Hansen, Queen, and Rod Snavely, King.

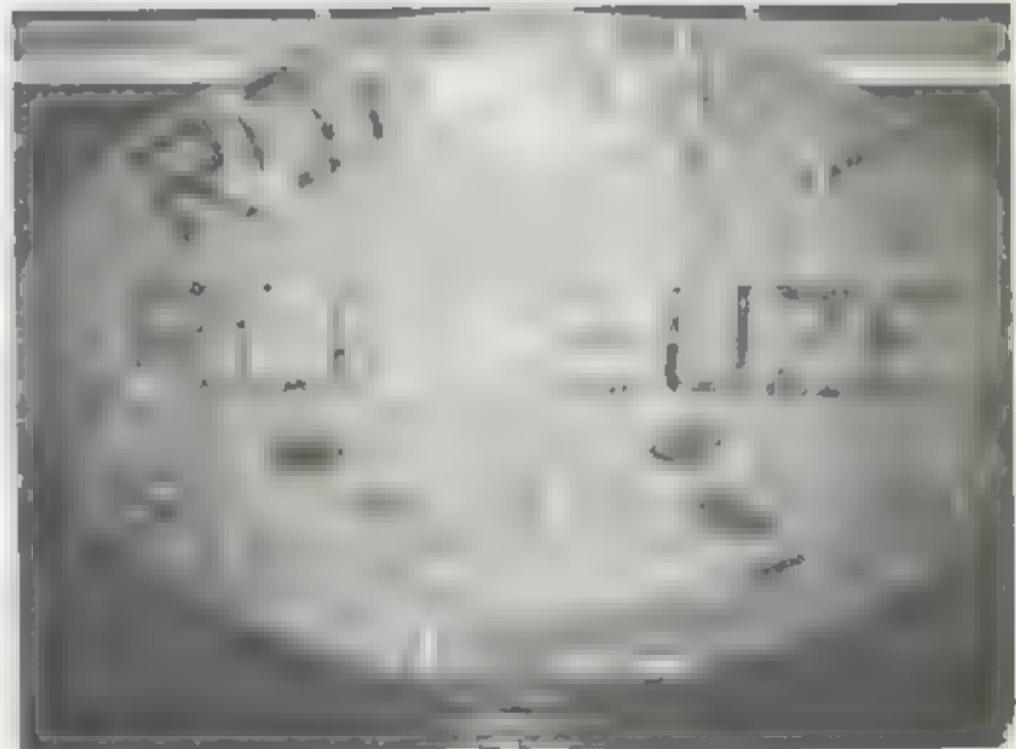

Friday's activities included the R-Club decorating the gym, a pep assembly, the big game and the dance afterwards.

The pep assembly consisted of trike races and skits by the third and fourth graders. Pep talks were given by Coach Bates, Queen Jennifer and King Roll. The game was very exciting with Everly winning 27-18. The team played well by keeping the score close until the 4th. We were all proud of them.

The final activity, the races, was sponsored by the R-C Club. Mike Ross from Station KICA, Des Moines, provided the entertainment for the evening as our "jive jock." It made a very nice end to a most memorable homecoming week.

The summer of 1887 proved to be a very
eventful and full season. The girls
entered the summer by winning their
first three matches with ease. Then
came the track, which was fast, play-
ing track, finally that we should have
trouper, and finally to train we
could have beaten. The season ended with
the girls winning 1 and losing 2.

Again in the final they drew powerful
South City. The Park City South City
scored 10 points, finally losing
a heartbreaking a score of 4 to 1.

The girls have to reach down and find themselves. We are all looking forward to the Summer of 1999.

The fall of 1915 was probably the first for the team. We had lost three oil-cans after the start of my practice the previous summer. The team did well with the extra money, saving and losing 1.

The Summer baseball team consisted of a very young team. There were many seniors on the team, therefore they were quite inexperienced. Even though the records were not too impressive (they won 7 games), the team was excellent by only one or two points against several of the local teams.

WEN SCHEE
RUTHENIA.

RUTHENIA.

Under a new director, Mark Almquist, the band tried some new things this year. During the halftime of each football game we did an entrance drill to the school song. Previously, we had done a little playing while marching, but now we had to play, march and follow a pattern at the same time. We also tried some new formations. For Homecoming we made a heart to salute the king and queen. And, we also had a new, different concert formation.

I think the show that was best accepted and the one that we enjoyed doing the most was our salute to the '50's where we dressed up in '50's costumes. We played "Happy Days" while in the concert formation and then changed to a clock formation for "Rock Around the Clock." Both were directed by our special "Fonzie", Mr. Almquist.

I enjoyed taking part in the good programs this year and hope to see the tradition continue.
